SITE LICENCE CONDITIONS

Our products are not to be used unless all the site licence details below have been read and are agreed to by all users.

Freefall Mathematics products are sold with a perpetual site licence, no reporting or further contact with Freefall Mathematics is required after purchase. While the purchasing school is licensed to use this product, the product remains the sole property of Freefall Mathematics.

Our products can not be shared or exhibited with any third party, without the written consent of Freefall Mathematics.

Teacher Editions can not be shared with students. They can only be shared with teaching staff. They can be transferred by RAM devices, such as USB drives, portable hard drives, CD/DVD ROM or other optical devices. Web upload or transmission is not allowed for the Teacher Edition. Teachers who leave the employment of the licensed school must delete all Freefall files and destroy/return all printed worksheets/answer sheets to the licensed school.

Unlimited printing of this file, by the licensed institution, (including answer sheets) is permitted for worksheet distribution with students. Unlimited duplication of the software file, by the licensed institution, is permitted for back-up and teacher distribution purposes. Use or possession of our files and/or printed worksheets by persons not employed at a site licensed institution is a breach of copyright law and is an illegal act.

All Freefall Mathematics e-books (Adobe files) are labeled with the licensed institution's name. Under no circumstance is a school/institution allowed to use this product without their correct school/institution name shown on page 2 of the software, to do so constitutes copyright fraud. A lack of compliance with the outlined site license conditions results in the user of this software not having copyright approval from the copyright owner, with any non approved action liable to copyright infringement penalties under prevailing copyright acts.

Reverse engineering, removal of security features, or any form of file modification is not allowed without the written consent of Freefall Mathematics.

This product is bought 'as is' and is sold with no obligation upon Freefall Mathematics to modify its content. Printing from this product and digital sharing is to be included in any copyright distribution assessment.
